

## Intermediate & Paramedic Examination Schedule

Closed Exams: Only for **SC students** who have completed a SC approved course and need testing or re-testing.

Open Exams: For anyone from any state needing National Registry testing / re-testing.

**Note:** All “initial” students of all EMT-Intermediate and EMT-Paramedic courses must successfully pass the National Registry Examination. A “SC refresher” student may opt to take the SC “state” registry-like “refresher” examination.

**The South Carolina “State” EMT-Intermediate & EMT-Paramedic for all “initial” candidates IS THE NATIONAL REGISTRY EXAMINATION.**
